Dear Friends:

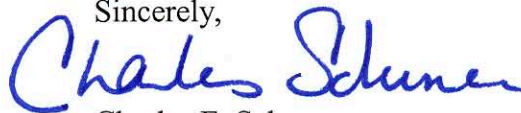

Please accept my warmest greetings and congratulations as you gather for the Children of Armenia Fund's First Annual Save a Generation Award Dinner. I am grateful for the opportunity to recognize the fine work of the Children of Armenia Fund and tonight's honorees.

Founded in 2000, the Children of Armenia Fund has dedicated itself to providing the basic infrastructure and training for children in Armenia, so that they can receive an appropriate education and essential and preventative medical care. I applaud the Children of Armenia Fund for providing the resources needed to ease the hardships faced by desperate and under-served Armenian children.

Further, I would like to take this opportunity to congratulate tonight's honorees, Cynthia and Larry Feinberg. I am honored to join the Children of Armenia Fund in recognizing both Cynthia and Larry for their philosophical and financial support of the Children of Armenia Fund and its mission. Their commitment and generosity of spirit serve as an inspiration to us all.

Again, congratulations and thank you for your hard work and dedication to improving the lives of children here in the United States, in Armenia and throughout the world. I hope the Children of Armenia Fund will continue its commitment to under-served children for many years to come.

Sincerely,

Charles E. Schumer
United States Senator
