Dear Friends,

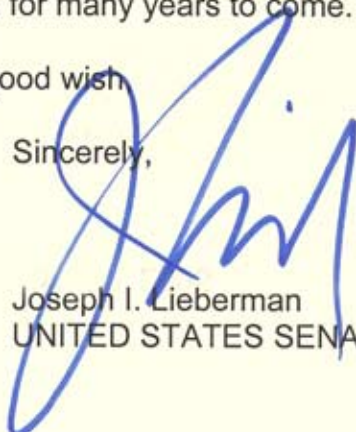

Please accept my warmest welcome to the second annual *Save a Generation to Preserve a Nation Awards Dinner*. I regret that I cannot join you this evening.

The Children of Armenia Fund is a wonderful organization that is working hard to better the lives of children in need. I applaud your goal of building a model village, where children can live healthy, happy, and fulfilled lives.

I hope that each of you will continue to give your time and talents to this worthwhile cause. Ultimately, the work you do now will benefit the children of Armenia for many years to come.

With every good wish,

Sincerely,

Joseph I. Lieberman
