Dear Friends,

I am delighted to welcome you to the Third Annual Gala Dinner to benefit the Children of Armenia Fund. Hadassah and I regret that we cannot join you this evening.

The COAF's commitment to the impoverished conditions affecting so many of Armenia's children has led to great achievements. Most significantly, the success and implementation of the *Model Village* pilot project which has been able to rapidly address the critical needs of an Armenian village by providing basic human needs such as health care, infrastructure, and education.

For the past six years COAF has worked hard to partner with federal agencies and educate the citizens of our country about the plight faced by many Armenian children. It is my hope that other groups will look to the great successes you have achieved and be inspired to join in this important endeavor and build upon them.

I send my very best wishes to you for a wonderful evening and continued success,

Sincerely,

Joseph I. Lieberman
